

Believe Me

Christina Aguilera

Oh, yeah
Mmm
Yeah, oh yeah, oh, oh
Oh yeah I was alone just because
I wasn't like them
They made me excluded, so cruel, and
Then there was you
You stood by me, ignored their words
You became my best friend so true, oh yeah You believed in me
When no one else did
You gave me the strength to
Move on, my friend
You will always be
The one I remember
To give my thanks to
For my success They just did not understand
What I was going through
My situation, they didn't care, no
You tried to take a stand for me
When I just could not
Take it any longer You believed in me
When no one else did
You gave me the strength to
Move on, my friend
You will always be
The one I remember
To give my thanks to
For my success I, oh, as I look back
I can see how childish they were
And you, oh, you showed me that
We were so much more than they were
I hope they can see their mistakes now
And not do it to another
But if they don't, I hope that person
Finds someone like you Oh
You believed in me
When no one else did
Yeah, oh, no, oh, yeah, oh You will always be
The one I remember

Will always be the one I remember, oh, no
For my success
For my, for my success, oh You believed in me
When no one else did, oh, yeah
Oh, the strength to move on, yeah
The one I remember, oh
With all my heart, yeah
