Always Come Back To You

Ryan Cabrera

I've got no time to kill
'Cause it's now or never
'Cause the way I feel
It won't last forever
When you're at that point in life
It just has to be tonightIt's a long, long road
But I'll always come back to you
I don't know which way to turn
But I feel it's the right thing to do
There's so much for me to learn
But I'll always come back to youHave your thoughts turned bad?
Are you in a prison?
There's no turning back
There's no indecision
You were always there for me
Now it's your turn to be freeIt's a long way from home
But I'll always come back to you
I don't know which way to turn
But I feel it's the right thing to do
There's so much for me to learn
But I'll always come back to youSometimes you just have to
Leave it all behind you
Take a chance
Just know, you're not aloneIt's a long, long road
But I'll always come back to you
I don't know which way to turn
But I feel it's the right thing to do
There's so much for me to learn
But I'll always come back to you
Always come back to youIt's a long way from home
But I'll always come back to you
I don't know which way to turn
But I feel it's the right thing to do
There's so much for me to learn
But I'll always come back to you
