

Throw Your Hands Up (dancar Kuduro)

Qwote

(feat. Pitbull & Lucenzo)

This is your boy Qwote (Qwote)
And my man Lucenzo
Along side Mr. Worldwide himself (Mr. Worldwide)

Let's go, let's go, let's go
Let's go, let's go, let's go!

Throw it up in the air
Shake it like you don't care
Sexy, turn it around
Baby, do that Kuduro
Let me see you get down
Go ahead work it out now
Oi, oi, oi, oi
Do that Kuduro

Don't even fight it, try to deny it
Let the beat take you over
Let ya head go, and drop it real low
Right now girl nothing matters
Whining and spinning all the way around
Shorty let me see ya get, get down
Pop a bottle, a couple more shots
Sexy let me see ya Kuduro now

Throw it up in the air
Shake it like you don't care
Sexy, turn it around
Baby, do that Kuduro
Let me see you get down
Go ahead work it out now
Oi, oi, oi, oi

Oi, oi, oi, oi, oi, oi, oi
Vem para quebrar kuduro, vamos dançar kuduro
Oi, oi, oi, oi, oi, oi, oi
Seja morena ou loira, vem balançar kuduro

Oi, oi, oi

Girl just go crazy
Back it up on me
Grind it like a private dancer
Baby go fast, now slow down
Working like a part-time lover
Whining and spinning all the way around
Shorty let me see ya get, get down
Pop a bottle, a couple more shots
Sexy let me see ya Kuduro now.

Throw it up in the air
Shake it like you don't care
Sexy, turn it around
Baby, do that Kuduro
Let me see you get down
Go ahead work it out now
Oi, oi, oi, oi
Do that Kuduro

Carita linda, labios sexy
Tremendos muslos, tremendo culo
Ella es loquita, le encanta la fiesta
Pelo largo con las lineas hechas
Ya llego el mounstro de la fiesta
Yo no quiero VIP ni la mesa
Yo me quedo en la barra con mi gente
En la lucha siempre
Cuantas mujeres el tiene? Como 20
Yo te hablo claro pa que estemos mas claro que cloro
Que se quede con los diamantes y el oro
Que yo soy el lobo
One life, two worlds
English, Spanish
One night, two girls
English, Spanish

Balancar que e uma loucura
Morena vem o meu lado
Ninguem vai ficar parado
Quero ver Mexa kuduro
Balancar que e uma loucura
Morena vem a meu lado

Ninguem vai ficar parado

Oi, oi, oi, oi, oi, oi, oi
Vem para quebrar kuduro, vamos dançar kuduro
Oi, oi, oi, oi, oi, oi, oi
Seja morena ou loira, vem balançar kuduro
Oi, oi, oi

Throw it up in the air
Shake it like you don't care
Sexy, turn it around
Baby, do the Kuduro
Let me see you get down
Go ahead work it out now
Oi, oi, oi, oi

Oi, oi, oi, oi, oi, oi, oi
Vem para quebrar kuduro, vamos dançar kuduro
Oi, oi, oi, oi, oi, oi, oi
Seja morena ou loira, vem balançar kuduro
Oi, oi, oi
