Girl I got the mojo
See you and you double tap the photo
She ain't into logos
Living single like Maxine, I'ma have her singing like Coko
Shawty was so weak, in her knees
Can't fuff me, bitch these
You can get involved
You know who to call when your man duval too small, no Lacey
Cause I'm up, zero, zero, zero, comma
Heard you looking for a sponsor
Well you gon' have to ride this lil'[Hook: Omarion]
Baby I'm the man, I'm up
Couple hundred bands on the car

It's no pretending, that we be getting to it all night
I'm off so much liquor
Probably did a couple things that my girl won't like

Red light, gotta slow it down, get my head right
Try and take it to the hotel, yeah right
Talking 'bout she won't tell, oh yeah right
I don't really know the finessing
I don't answer like it's bill collectors
Shawty try'na act so wreckless
See we got her going up 'til breakfast
Smile when you stressed and we got it going on[Verse 3: French Montana]
Shawty was the wings on the car
Forgot about her plans for tomorrow
Best friend next room, ex to the bar
Cause I'm that nigga, haan
I'm a boss, don, baby ahh
Shoe gon' throw it up, she gon' break it down
Shawty got her own but she can't find me[Hook: Omarion]
Baby I'm the man, I'm up
Couple hundred bands on the car
Villa and a mansion, uh
I'm that nigga, I'm that nigga
I'm that nigga, I'm with my niggas
Bring more bitches[Bridge: Kid Ink & Omarion]
Comin' through, commas, commas, commas
Commas, commas, commas
