I'll Be Lightning

7 Worlds Collide

Hey, next week
Pushing things with feet
One shoe on
Someone's vicious love
Make me writhe around
All I need is one
All I need is one

Blue and green
Colors of the in between
Tell, tell me
Focus on the things we need
Someone's vicious love
Make me writhe around
All I need is one
All I need is one

I'll be lightning you'll be lightning
I'll be lightning you'll be lightning
I'll be lightning you'll be lightning
I'll be lightning you'll be lightning
I'll be lightning you'll be lightning
I'll be lightning you'll be lightning
I'll be lightning you'll be lightning
I'll be lightning you'll be lightning
Love make me writhe around
All I need is one
All I need is one
