Fool the World

Hazen Street

I've been to many places, I've seen many faces
Soft and hard, battle scarred, I've seen prison bars
Not for long, but long enough to write this song
Right or wrong, I'm a product of a battle zoneLower east side where it's not pretty
'Cause I see many talkin', but can they really walk it?
On the west side they show no pitySee you walkin' around you're bound by only fantasies
Thinking you're hard, you know that's not reality
We all see, we know you're just a wannabe
So fool the world but you can't fool meIn my home, alone and on these streets
I've seen beefs and walked with heat
What does it all mean to me?
Not a thing, if I don't live to write and sing
About the life, about strife, about everythingLower east side where it's not pretty
'Cause I see many talkin', but can they really walk it?
On the west side they show no pitySee you walkin' around you're bound by only fantasies
Thinking you're hard, you know that's not reality
We all see, we know you're just a wannabe
So fool the world but you can't fool meWalkin' around you're bound by only fantasies
Thinking you're hard, you know that's not reality
We all see, we know you're just a wannabe
So fool the world but you can't fool meI've seen you come and go, all you tough guy clones
When will you leave it alone?
I've seen you come and go, all you tough guy clones
You're all from front street, better keep it moving kid
You don't know what you're doing hereLower east side where it's not pretty
'Cause I see many talkin', but can they really walk it?
On the west side they show no pitySee you walkin' around you're bound by only fantasies
Thinking you're hard, you know that's not reality
We all see, we know you're just a wannabe
So fool the world but you can't fool meWalkin' around, you're bound by only fantasies
Thinking you're hard, you know that's not reality
We all see, we know you're just a wannabe
So fool the world, but you can't fool meFool the world, but you can't fool, you can't fool me
Fool the world, but you can't fool, you can't fool me
Fool the world, but you can't fool, you can't fool me
Fool the world, but you can't fool me
