

FALLINLOVE2NITE (feat. Zooey Deschanel)

Prince

[Chorus: Zooey]
Don't you wanna fall in love tonight, don't you wanna
Fall in love tonight
She said, don't you wanna fall in love tonight, don't you wanna
Fall in love tonight [Verse 1: Prince]
Special night, my favorite crew
The moon threatened to dance her out of her shoes
In his ear, he was about to hear
An offer that he could not refuse She said... [Chorus: Prince]
Don't you wanna fall in love tonight, don't you wanna
Don't you wanna fall in love tonight
(She said)
Don't you wanna fall in love tonight, don't you wanna
Don't you wanna fall in love tonight She said... [Verse 2: Prince]
Underneath the taffeta
There ain't no better hiding place
If I see the moon, I'll just laugh at her
Wanna wake up to your, your pretty face [Chorus: Both]
Don't you wanna fall in love tonight, don't you wanna
Don't you wanna fall in love tonight
(She said)
Don't you wanna fall in love tonight, don't you wanna
Don't you wanna do it till the morning light She said... [Verse 3: Prince]
We can sleep all day tomorrow
Dream about this fantasy, fantasy
We don't have to backspin, apologize, or borrow
Uh, about to go hard, yeah all ready for me [Chorus: Both x2]
