No Church On Sunday

Princess Chelsea

There's thunder in the hallway
And orgy in the lounge
A shopping trolley in the bathroom
A fire in the yardThey put my brother under water
But they forgot about me
I lost my faith in a moment
Dear god, let me be'Cuz there ain't no church on sunday for me
Ain't no church on sunday
Ain't no church on sunday for me
Ain't no church on sundayLast night I saw my parents
Thought they had disowned me
They bought me dinner from McDonald's
Because it's my favoriteBut there's still no church on sunday for me
Ain't no church on sunday
Still no church on sunday for me
Ain't no church on sundayAin't no church on sunday for me
Ain't no church on sunday
Ain't no church on sunday for me
Ain't no church on sundayAin't no church on sunday for me
Ain't no church on sunday
Ain't no church on sunday for me
Ain't no church on sunday
