

# Either Way, I'll Break Your Heart Someday

## Augustana

All I have about the way things go  
I don't know, I just don't know  
Make up some simple lies  
And compromise how I live 'Cause either way I'll break your heart someday  
But leaving you is the last thing on my mind  
So when I go, baby kiss real slow  
So I don't forget to make my way back home when I go Sail away on a wayward ship  
With candy lips in my grip  
Cheap perfume, oh, it never lies  
And it can't supply any good alibis 'Cause either way I'll break your heart someday  
And leaving you is the last thing on my mind  
So when I go, baby kiss real slow  
So I don't forget to make my way back home when I, when I go, when I go I'll miss you in the winter  
Your friends say I should listen  
Can't you see I've loved you all along? If America don't like me  
You can say I finally, oh no, became a man  
Who only likes a gun, shoot anyone, shoot anyone 'Cause either way I'll break your heart someday  
Leaving you is the last thing on my mind  
So when I go, baby kiss real slow  
So I don't forget to make my way back home when I, when I go  
When I, when I go, when I go, when I go, when I go, when I go
