

# I Love New York

Harry Rabinowitz, Orchestra & Marti Webb

I don't like cities but I like New York  
Other places make me feel like a dork  
Los Angeles is for people who sleep  
Paris and London, baby you can keep  
Baby you can keep, baby you can keep  
Baby you can keep, baby you can keep  
Baby you can keep, baby you can keep  
Baby you can keep, baby you can keep  
Other cities always make me mad  
Other places always make me sad  
No other city ever made me glad  
Except New York, I love New York  
I love New York, I love New York  
If you don't like my attitude, then you can F-off  
Just go to Texas, isn't that where they golf?  
New York is not for little pussies who scream  
If you can't stand the heat, then get off my street  
Get off my street, get off my street  
Get off my street, get off my street  
Get off my street, get off my street  
Get off my street, get off my street  
Other cities always make me mad  
Other places always make me sad  
No other city ever made me glad  
Except New York, I love New York  
I love New York, I love New York  
Get off my street, get off my street  
Get off my street, get off my street  
Get off my street, get off my street
