Good Luv

DJ Pierre

You know we gonna flip it just a little bit for y'all
You know what I'm sayin', so mighty different
You know, you know, you know, you know
You know, you know, you, you know, yeah
In the morning when I open up my eyes
I still be feelin' high from the love you gave last night girl
But I still try to get up with my friends
But they just think I'm crazy you're no more, do I fit in girl
But they always been around, smokin' all day
But I just get a hit or two but I just don't feel the same girl
No, no, I know that I'll be needing you any day
There's only one thing I have to say
You give good luv in the morning or late at night
Every second to minute it gets me high
Good luv in the morning or late at night
It's amazing how our love could feel so right
I guess it's just a habit, I feel I have to have it
Every time I see it girl you know I wanna grab it
And yes I do admit it, nothing can get with it
When it comes to feeling good, your love is so addictive
Yes I do get my drink on and I do have my fun
When it comes to love, I gotta get some of your good luv
So I turn to you 'cause no one else can do what you do
Girl you're so good
You give good luv in the morning or late at night
Every second to minute it gets me high
Good luv in the morning or late at night
It's amazing how our love could feel so right
I need your love girl 'cause when I'm not with you
I'm just feelin' for the things you do
I'm in my own world 'cause girl I'm crazy for you
'Cause your love is always true
You give good luv, you give good luv, you give good luv
And that's all I do 'cause I'm strung out on you
You give good luv in the morning or late at night
Every second to minute it gets me high
Good luv in the morning or late at night
It's amazing how our love could feel so right
Good luv in the morning or late at night

Every second to minute it gets me high
Good luv in the morning or late at night
It's amazing how our love could feel so right
