

# Genocide

## Thin Lizzy

When they try to tell you knowledge is a dangerous thing  
It's such a dangerous thing  
The people that have it are the people that sin  
And the people that need it are the people that can never win  
They can never win  
Let me get you out of here little broken wing  
There are people 'round here that are right  
There are people 'round here that like to sleep at night  
There are people 'round here that go slow  
There are people 'round here  
That don't take kindly to the killing of the buffalo, oh no  
When they tear up all the treaties and break up all the plans  
They break up all the plans  
Did you do your duty and kill on command?  
Did you know the red man used to roam this land?  
He used to roam this land  
Now the souls of lost warriors blow across the sands  
People 'round here, they get it right  
People 'round here, we like to sleep at night  
There are people 'round here that go slow  
People 'round here  
That don't take kindly to the killing of the buffalo, oh no  
So listen to my story and listen to it well  
You better listen well  
Listen to the glory of the gory details of the tale I tell  
Did you know the red man very well?  
I used to know him well  
Did you know the hunting ground before it became a hell?  
There are people 'round here that are right  
There are people 'round here that like to sleep at night  
There are people 'round here I don't know  
There are people 'round here  
That don't take kindly to the killing of the buffalo  
The killing of the buffalo, the killing of the buffalo  
The killing of the buffalo, the killing of the buffalo  
The killing of the buffalo, the killing of the buffalo  
The killing of the buffalo, the killing of the buffalo  
The killing, the killing  
So listen to my story of genocide  
How they were hunted and slaughtered  
Till there was no place left to hide  
Did you know the red man used to hold his head with pride?  
Till every man, woman and child were destroyed  
There are people 'round here that get it right  
There are people 'round here that couldn't sleep at night

There are people 'round here I don't know  
There are people 'round here  
That don't take kindly to the killing of the buffalo  
There are people 'round here that couldn't give a damn  
There are people 'round here that go slow  
There are people 'round here  
That don't take kindly to the killing of the buffalo  
There are people 'round here  
That don't take too kindly to the killing of the buffalo  
The killing of the buffalo, the killing of the buffalo  
The killing of the buffalo, the killing of the buffalo  
The killing of the buffalo, the killing, the killing of the  
They're killing all the buffalo, the killing of the buffalo  
The killing of the buffalo, the killing of the buffalo  
They're killing all the buffalo, the killing of the buffalo  
The killing of the buffalo, the killing of the buffalo  
The killing of the buffalo, the killing, the killing  
The killing of the buffalo
