The Beautiful

Gala

Money, money, money
Is that what you want?Or is it just a key that will help u open the door?Power, fortune and fame
Is that what you want?Or is it something else
that you are out here looking for?I tried to buy it
I couldn't claim it,
Wish I could own it
But I can't tame it...
I want something more then tangible:The Beautiful, the Beautiful...
The Beautiful, the Beautiful...Money, money, money
Is never enoughPut your hands on a little...
feeling like you need to double it up!I'm searching for something I find only within myself...A pocketful of dreams is the richest that I've ever felt!I tried to buy it
I couldn't claim it
Wish I could own it
But I can't tame it
Want something more then tangibleThe Beautiful, the Beautiful...
The Beautiful, the Beautiful...
