Reflect

Three Â‘nÂ’ One

When we are together, we journey to the sea
And I am always at the wheel, well that's what you say to me
And can you tell me when we reach the water
And can you tell me when my face is wetLook, look in the mirror for the bounce and spark
Of the butt you've thrown, don't turn around
You're a long way from homeYou look in my wardrobe and tell me what I've done
You say that my mind is as dark as trodden boards
You say I don't understand but at least I know it
Do you see yourself in me and hide away in fright?Look, look in the mirror for the bounce and spark
Of the butt you've thrown, don't turn around
You're a long way, you're a long way
you're a long, long way from home
