

I Can't Help It

Michael Jackson

Looking in my mirror
Took me by surprise
I can't help but see you
Running often through my mind
Helpless like a baby
Sensual disguise
I can't help but love you
It is getting better all the time I can't help it if I wanted to
I wouldn't help it even if I could
I can't help it if I wanted to
I wouldn't help it, no I can't help it if I wanted to
I wouldn't help it even if I could
I can't help it if I wanted to
I wouldn't help it, no Love to run my fingers
Softly while you sigh
Love came and possessed you
Bringing sparkles to your eyes Like a trip to heaven
Heaven is the prize
And I'm so glad I found you
You're an angel in disguise I can't help it if I wanted to
I wouldn't help it even if I could
I can't help it if I wanted to
I wouldn't help it, no I can't help it if I wanted to
I wouldn't help it even if I could
I can't help it if I wanted to
I wouldn't help it, no
