# Raincloud Grey

## Alyssa Bernal

I bought my ticket and you kissed me on the cheek
I packed my bag for a week
And say that I know that it wont feel long
I dont need nothin but the locket around my neck
And whatevers coming next
I know I need this feeling goneIm feeling raincloud grey
Standing on the sidewalk
Looking for the answers in this rainy day
But I can see the sunshine
Cause I know youre all mine, all mineFour weeks later and Im wearing out my shoes
Bought a coat to keep out the cold blues
Im just tryin to keep on just keepin on
And if I knew when I was coming home
It would be easier but as it is
Im just letting life happen to meIm feeling raincloud grey
Standing on the sidewalk
Looking for the answers in this rainy day
But I can see the sunshine
Cause I know youre all mineYeah yeah! Ooh ooh ooh! Ooh ooh!
Im just so far away, Im just so far awayWhy is everything so beautiful far away?
Oh, oh, oh!Im feeling raincloud grey
Standing on the sidewalk
Looking for the answers in this rainy day
But I can see the sunshine
Cause I know youre all mine, all mineRaincloud grey
Standing on the sidewalk
Looking for the answers in this rainy day
But I can see the sunshine
Cause I know youre all mine, all mineCause I know youre all mine, yeah!
Hmmm mm mm mm
I can see the sunshine
Cause I know youre all mine!
