

# Instant Club Hit (You'll Dance to Anything)

## The Dead Milkmen

You'll dance to anything  
You'll dance to anything  
You'll dance to anything  
You'll dance to anything

Oh, baby, look at you  
Don't you look like Siouxsie Sioux  
How long'd it take to get that way?  
What a terrible waste of energy

You wear black clothes say you're poetic  
The sad truth is you're just pathetic  
Get into the groove just get out of my way  
I came here to drink not to get laid

So, "Why don't you just go on home?"  
'Cause if you want to moan you'll have to moan alone  
You'll dance to anything  
You'll dance to anything

Don't try to tell me that you're an intellectual  
'Cause you're just another boring bi-sexual  
I met Andy Warhol at a really chic party  
Blow it out your hairdo 'cause you work at Hardees  
80 pounds of make up on your art school skin  
80 points of I.Q. located within'

Know what you are? You're a bunch of  
Arfags, Arfags, Arfags, Arfags  
Choke on this you dance-a-teria types

You'll dance to anything by The Communards  
You'll dance to anything by Book of Love  
You'll dance to anything by The Smiths  
You'll dance to anything by Depeche Commode

You'll dance to anything by Public Image Limited  
You'll dance to anything by Naked Truth  
You'll dance to anything by any bunch of stupid Europeans

Who come over here with their big hairdos  
Intent on taking our money instead of giving your cash  
Where it belongs, to a decent American artist like myself!  
You'll dance to anything!
