

If You Want Me to Stay

Red Hot Chili Peppers

If you want me to stay I'll be around today
To be available for you to see
I'm about to go there then you'll know
For me to stay here I've got to be me You'll never be in doubt that's what it's all about
You can't take me for granted and smile
Count the days I'm gone
Forget reachin' me by phone
'Cause I promise I'll be gone for a while And when you see me again I hope that you have been
The kind of person that you really are now
You got to get it straight
How could I ever be late
When you're my woman taking up my time Oh how could I ever allow
I guess I wonder how
I could get out a pocket for fun
When you know that you're never number two
Number one's gonna be number one I'll be good I wish I could get this message over to you now
When you see me again I hope that you have been
The kind of person that you really are now
I'll be so good I wish I could Get this message over to you now
Get this message over to you now
I'll be so good I wish I could
