Rain In Decemberâ—•

â—•Bosson

There are things that I regret
There are things I can't forget
There are things that believe
Through the hints that I receive
I'm not giving up not yet....So many things I wanna say
But words are getting in my way
So many things I wanna do
I can make it up to you
I believe we'll find a wayCause
Sometimes it rains in December
(we all know that)
Sometimes the snow falls in June
(Don't you know that)
Although it hurts to remember
Our fall in September
I know that I'll never surrender....Can I get it through to you
In spite the stupid things I do
I never meant to say those words
Wanna see you though it hurts
Wish that we could talk it throughI try to call you on the phone
Just to see if you're at home
I try to find the words to say
How I miss you everyday
Baby please pick up the phone....Cause
Sometimes it rains in December..
(we all know that)
Sometimes the snow falls in June
(Don't you know that)
Although it hurts to remember
Our fall in September
I know that I'll never surrender....Sometimes it rains in December
(we all know that)
Sometimes the snow falls in June
(Don't you know that)
Although it hurts to remember
Our fall in September
I know that I'll never surrender....Sometimes it rains in December
Sometimes the snow falls in June
Although it hurts to remember

Our fall in September
I know that I'll never surrender....Sometimes it rains in December
(Sometimes it rains)
Sometimes the snow falls in June
(Sometimes the snow falls in June)
Although it hurts to remember
Our fall in September
I know that I'll never surrender....
I'll never surrender....
I'll never surrender....
I'll never surrender....
