

# U Shoulda Told Me (U Had a Man)

Joe

You shoulda told me you had a man  
Then I wouldn't waste my time  
You shoulda told me you had a man When you knew that I was big on you and no one else  
Why'd you have to go and play yourself?  
You shoulda told me you had a man, yeah, yeah Steady 7 weeks of passion  
Sexin' 6 nights a week  
Left my body exhausted  
And my knees feel so weak Now you're acting mysterious  
Girl you took the script  
And I shoulda seen it coming  
But it, it happened so quick So I had all these plans of becoming your man  
But you left me here standing  
With only time on my hands Girl, I want you but I don't understand  
You shoulda told me you had a man  
You shoulda told me you had a man You shoulda told me you had a man  
Then I wouldn't waste my time  
You shoulda told me you had a man When you knew that I was big on you and no one else  
Why'd you have to go and play yourself?  
You shoulda told me you had a man, yeah, yeah I would never believe it  
But I, I seen it myself  
Peepin' through steamy windows  
Goin' down on someone else Girl you're too much for one man  
But you're not enough for two  
You shoulda, you shoulda been  
Straight with me before I hooked up with you So I had all these plans of becoming your man  
But you left me here standing  
With only time on my hands Girl, I want you but I don't understand  
You shoulda told me you had a man  
You shoulda told me you had a man You shoulda told me you had a man  
Then I wouldn't waste my time  
You shoulda told me you had a man When you knew that I was big on you and no one else  
Why'd you have to go and play yourself?  
You shoulda told me you had a man, yeah, yeah You shoulda told me you had a man  
You shoulda told me you had a man  
You shoulda told me you had a man  
You shoulda told me you had a man You shoulda told me you had a man  
You shoulda told me you had a man  
You shoulda told me you had a man  
You shoulda told me you had a man  
You shoulda told me you had a man You shoulda told me you had a man

Then I wouldn't waste my time  
You shoulda told me you had a man When you knew that I was big on you and no one else  
Why'd you have to go and play yourself?  
You shoulda told me you had a man, yeah, yeah
