# Jack and Tina

## Morphine

Jack's dad
Jack's dad was mad at Jack
Jack's dad didn't understand
This is real love between Tina and JackTina was fast, Tina was bright
Tina was using her head last
Tina was fast, Tina was bright
Tina was using her head last
She matched her insights with Jack's lines
And he matched her stripesJack's dad didn't understand
This was real love between Tina and Jack
You can't fight a love like this so strong
Anytime waiting is far tooIt's like trying to stop the earth
From spinning 'round
It's like trying to stop the sun
From going downJack's dad, he didn't like Jack
And Tina's dad, he didn't like Jack
Jack's dad, Tina's dad
Neither of them didn't understand
This was real, real love between Tina and JackJack and Tina went out of state
Far away from this boring place
Jack and Tina went over the gate
Everybody needs a little getaway
Everybody needs a little getaway
Everybody needs a little getawayForever doesn't seem so long
You can't fight a love like this so strong
It's like trying to stop the earth
From spinning 'round
It's like trying to stop the sun
From going downTina was fast
Tina was using her head last
Tina was fast, Tina was bright
Tina was using her head lastTina was fast, Tina was bright
Tina was using her in
She was bright, bright as sunshine
Jack was blinded, blinded by the lightHe matched her insights
Lines, lines, lines
He matched her stripes
Lines, lines, linesJack and Tina went out of state
Far away from this boring place

Jack and Tina went over the gate
Everybody needs a little getaway
Everybody needs a little getaway
Everybody needs a little getawayJack and Tina circled back
Jack and Tina circled back
Stole some food from Tina's dad
Borrowed Tina's brother's van
Tina won a quick pick when they stopped for gasThey got fifteen hundred dollars in their hands
With luck like that they can't be so bad
They took off all their clothes
Got back in Tina's brother's van
