

Dog Day Sunrise

Fear Factory

Dog day sunrise
Every day of my life
I'm workin' on a scheme
Workin' overtime underground Girls work under floors
The failures tend the moors
But once the seam is cut
They find out what is learned Dog day sunrise
Dog day sunrise
Dog day sunrise
Dog day sunrise Drag your feet through hollow streets
Drag your feet through hollow streets
Drag your feet through hollow streets
Drag your feet through hollow streets Dog day sunrise
Dog day sunrise
Dog day sunrise
Dog day sunrise Dog day sunrise
Dog day sunrise
Dog day sunrise
Dog day sunrise Valentine has shinin' eyes
Valentine has shinin' eyes
My valentine has shinin' eyes
Valentine has shinin' eyes Dog day sunrise
Dog day sunrise
Dog day sunrise
Dog day sunrise Valentine has shinin' eyes
Valentine has shinin' eyes
My valentine has shinin' eyes
Valentine has shinin' eyes Dog day sunrise
Dog day sunrise
Dog day sunrise
