

Bring It All Back

S Club 7

Don't stop, never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back to you
Hold on to what you try to be, your individuality
When the world is on your shoulders
Just smile and let it go
When people try to put you down
Just walk on by don't turn around
You only have to answer to yourself
Don't you know it's true what they say
That life it ain't easy
But your time's coming around
So don't you stop tryin'
Don't stop, never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back to you
Dream of falling in love
Anything you've been thinking of
When the world seems to get too tough
Bring it all back to you
Try not to worry 'bout a thing
Enjoy the good times life can bring
Don't keep it all inside you
Gotta let let your feelings show
Imagination is the key 'cause you are your own destiny
You never should be lonely when time is on your side
Don't you know, it's true what they say
Things are sent to try you
But your time's coming around
So don't you stop tryin'
Don't stop, never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back to you
Dream of falling in love
Anything you've been thinking of
When the world seems to get too tough

Bring it all back to you
Don't you know, it's true what they say
Things happened for a reason
But your time's coming around
So don't you stop tryin'
Don't stop, never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back to you
Dream of falling in love
Anything you've been thinking of
When the world seems to get too tough
Bring it all back to you
Don't stop, never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back to you
Dream of falling in love
Anything you've been thinking of
When the world seems to get too tough
Bring it all back to you
Don't stop never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back to you
Dream of falling in love
Anything you've been thinking of
When the world seems to get too tough
Bring it all back to you
