

# Broken Vow

Josh Groban

Tell me his name  
I want to know  
The way he looks  
And where you go  
I need to see his face  
I need to understand  
Why you and I came to an end  
Tell me again  
I want to hear  
Who broke my faith in all these years  
Who lays with you at night  
When I'm here all alone  
Remembering when I was your own  
I'll let you go  
I'll let you fly  
Why do I keep on asking why  
I'll let you go  
Now that I found  
A way to keep somehow  
More than a broken vow  
Tell me the words I never said  
Show me the tears you never shed  
Give me the touch  
That one you promised to be mine  
Or has it vanished for all time  
I'll let you go  
I'll let you fly  
Why do I keep on asking why  
I'll let you go  
Now that I found  
A way to keep somehow  
More than a broken vow  
I close my eyes  
And dream of you and I  
And then I realize  
There's more to life than only bitterness and lies  
I close my eyes  
I'd give away my soul  
To hold you once again  
And never let this promise end  
I'll let you go  
I'll let you fly  
Why do I keep on asking why  
I'll let you go  
Now that I found  
A way to keep somehow

More than a broken vow
