

# Make You a Believer

Sass Jordan

Ah, let me tell y'all a little story  
'Bout this time I was down and out  
Just goes to prove there's always a light on  
But if you look, you'll find it's inside of you  
So I want y'all to listen up I've been sitting here all night  
Tryin' to make this thing work out right  
I've been getting nowhere fast  
Suddenly, as I lay down on the bed  
I hear a little voice inside my head  
It says, "If you want to do it girl, you got to have some faith  
Come over here and listen, hurry up or you'll be late" Listen to my story, listen to me well  
Oh, I will make you a believer  
If you're feeling sorry for yourself, I can tell now  
Oh, I will make you a believer  
Yeah, I will make you a believer, oh yeah So you been tryin' to make amends  
For the bloodsuckers you call friends  
Drag you deep into the hole  
Crazy that you'd let them into your world  
They will take your diamonds baby, they will steal your pearls  
If you want to play the game, you've got to lose the rules  
You can play with passion, rules are just for fools Listen to my story, listen to me well  
Oh, I will make you a believer  
If you're feeling sorry for yourself, I can tell now honey  
Oh, I will make you a believer  
Yeah, I will make you a believer Ya gotta learn to fall in love with what's inside  
Get on the horse I wanna ride  
I got a reason to believe the light's inside  
Oh oh, oh yeah, yeah yeah yeah  
Are ya with me so far? Hey, some things I cant help to have  
Some things have to wait  
Some things I will never get, I will always  
I will always have my faith, Ill have my faith  
I will make you a believer Oh, I will make you a believer  
Oh, I will make you a believer, hey honey  
Oh, I will make you a believer, oh yeah  
Oh, I will make you a believer  
Oh, I will make you a believer  
I will make you a believer, oh oh yeah  
Believe me honey
