

So Hot (feat. R. Kelly)

Fat Joe

Sexy girl, you know that I like you
(I like you, baby)
Sexy girl, you know that I will
Do anything under the sun for you If you let me
(I can get you hot, hot, hot)
If you let me
(I can get you hot, hot, hot) If you let me
(I can get you hot, hot, hot)
If you let me Ladies, gentlemen, gangsta's and killers
I'd like to welcome y'all to this Terror Squad thriller
Staring me Joe Crack, da realist
And ma you can get a seat, forget wat cha friends have seen They tell you please he's a celebrity
He ain't tryin' start something, he's into menaju crushin'
But she ain't tryin' hear nuttin' fears nuttin'
But ha impulse is scared money don't make nothing Plus she love da way da cashmere touch ha
How da lights bounce off da ice, this dude hear is frontin'
But you love it though, everybody in hear know
A million niggaz tried to holla, a million niggaz wasn't Joe I see you across the club, the way you move ya body
Slow motion wit' me, dip it low and put ya body in da roles wit' me
Forget cha problems and sit back and roll through da tolles wit' me
Now listen to the R flow wit' me Sexy girl, you know that I like you
(I like you, baby)
Sexy girl, you know that I will
Do anything under the sun for you If you let me
(I can get you hot, hot, hot)
If you let me
(I can get you hot, hot, hot) If you let me
(I can get you hot, hot, hot)
If you let me Now we dun need no rutines because we up off in my jeep
Doin' things to make us hot to recline on these soft leather seats
Girl, you got my emotions up and now we beat it up
Touchin' and feelin' on each other now I'm like, "Wass up?" Now break da doors, let's roll, let's roll come on
let's hit da club, let's roll, let's roll, come on We got them cute chicks, party chicks, stripper chicks
We got them money chicks, good chicks, hot chicks
We got them vip poppin' bottle, model chicks
We got them ride or die, down foe wateva chicks We gunna do it up in hear till around six
And we gunna be puffin' on dat L till around six
And yeah I fuck wit' dis collabo 'cuz it's magik
Kellz, Terror Squad, Joe still thuggin' Sexy girl, you know that I like you

(I like you, baby)
Sexy girl, you know that I will
Do anything under the sun for you If you let me
(I can get you hot, hot, hot)
If you let me
(I can get you hot, hot, hot) If you let me
(I can get you hot, hot, hot)
If you let me I love da way you dancin' out those clothes mama
Come and roll wit' me on 24's mama
Get you to the spot and it's wateva mama
Now let's drop da top 'cuz we 'boutta make it hot, hot, hot
We about to make it hot hot hot Keep it goin', now come on
Keep it goin' now come on
We 'bout to make it
We 'bout to make it
