

# Talk Back Trembling Lips

[George Jones](#)

Talk back, trembling lips, shaky legs, don't just stand there  
Don't let her know that she's gettin' through to you  
Talk back, trembling lips, burning eyes, don't start crying  
Heart, don't let her know that you're breaking in two  
Everyday our love's a battle royal  
Seems that fighting's all we ever do  
But if I let you know how much I love you  
You'll do things to me you shouldn't do  
Talk back, trembling lips, shaky legs, don't just stand there  
Don't let her know that she's gettin' through to you  
Talk back, trembling lips, burning eyes, don't start crying  
Heart, don't let her know that you're breaking in two  
Every time you up and hurt my feelings  
I pretend it couldn't matter less  
I'm just hiding all of my emotions  
Behind the broken heart, I guess
