

# Saving Grace

**Bob Dylan**

If You find it in Your heart, can I be forgiven?  
Guess I owe You some kind of apology  
I've escaped death so many times, I know I'm only living  
By the saving grace that's over me By this time I'd a thought that I would be sleeping  
In a pine box for all eternity  
My faith keeps me alive, but I still be weeping  
For the saving grace that's over me Well, the death of life, then come the resurrection  
Wherever I am welcome is when I'll be  
I put all my confidence in Him, my sole protection  
Is the saving grace that's over me Well, the devil's shining light, it can be most blinding  
But to search for love, that ain't no more than vanity  
As I look around this world all that I'm finding  
Is the saving grace that's over me The wicked know no peace and you just can't fake it  
There's only one road and it leads to Calvary  
It gets discouraging at times, but I know I'll make it  
By the saving grace that's over me
