Love Like This

Swv

SW with the V , yeah, you know
Characters, lacin' this trizack
Oh life is short, what?
I never thought I'd find love
Till the day I found you, sugar
I never had no one to hold me like this
Like this, like this, no, no, no
This time, last year, I was feeling so alone
I never thought that you would come along
You changed my whole world
Now all I have is memories
My lonely days are gone
You changed the right from wrong
(And I never)
I never thought I'd find love
Till the day I found you, sugar
(I never had no one)
I never had no one to hold me like this
Like this, like this, no, no, no
I never thought I'd find love
Till the day I found you, sugar
(I never had no one)
I never had no one to hold me like this
Like this, no, no, no
I never imagined just what it would be like
To have this feeling that I feel without you in my life
It's like a day of sunshine after days of cloudy skies
And when you held me in your arms, you opened up my eyes
And I tell the world that I'm in love
(Yeah, yeah, yeah, yeah)
And it feels so good to know
You're the one that I adore
(Every day)
Everyday and night, you love me right
I don't want to trade it for nothing in this world
(I never)
I never thought I'd find love
Till the day I found you, sugar
(I found you)

I never had no one to hold me like this
Like this, like this, no no no
I never thought I'd find love
(Oh, till the day)
Till the day I found you, sugar
(I found you)
I never had no one to hold me like this
Like this, no no no
Imagine this, me Caes
E 3's, chesties, palm trees
I know you like the way it sounds so take your pic hon
And watch this lips go dead between your lips
While my niggaz be stazzin' out
I'm blowin' mad spazzles out your leather, my house
What's even better, my cheddar, your couch
It's now or never, my tongue in your mouth
I makes it happen, dumber than a Hummer
With my man Trife Jigga
Only boney girls with nice figures, ridin' dat digga
Whole figures, platinum with gold diggers
So what's it gonna be, girl? Tell me, who you roll with?
Who you wanna be with? Who you creep with?
I giving you the green light so if you the right hoe
Ask Joe, square the double, be a playa no more, you sure?
I never thought I'd find love
(I never felt this way)
Till the day I found you, sugar
(I never loved before)
Never had no one to hold me like this
(I never felt this way)
Like this, no, no, no
(I never loved before)
I never thought I'd find love
(I never felt this way)
Till the day I found you, sugar
(I never loved before)
Never had no one to hold me like this
(I never felt this way)
Like this, no, no, no
(I never loved before)
I never thought I'd find love
(I never felt this way)
Till the day I found you, sugar
(I never loved before)
Never had no one to hold me like this

Like this, no, no, no
(I never loved before)
