

# Man of the House

## Fantasia

If we don't got it, I go get it, it ain't a thang  
And if it's broken, I fix it, I don't complain  
But now, see, it's gettin' a little out of hand  
Cook, cleaning, providing, taking care of little man  
You want to talk about who's wearing the pants  
Baby, well, I don't understand If you gone be the man then be the man  
'Cause if you can't, baby, I can  
I can and I will so figure it out  
Which one of us gone be the man of the house If you gone be the man then be the man  
'Cause if you can't, baby, I can  
I can and I will so figure it out  
Which one of us gone be the man of the house Yeah, hey, boy, I just don't get it  
You ain't supposed to act like a little boy  
Just 'cause I'm independent, no You walk around with your chest out like you the one  
But if I don't do it then it won't get done  
I'm a good woman but I'm not dumb  
You gone be the man or my son If you gone be the man then be the man  
'Cause if you can't, baby, I can  
I can and I will so figure it out  
Which one of us gone be the man of the house If you gone be the man then be the man  
'Cause if you can't, baby, I can  
I can and I will so figure it out  
Which one of us gone be the man of the house And I'm sick and tired of being the boss for us  
No, this ain't the kind of love it's supposed to be  
You wanna be king of the castle  
Oh, you wanna be, you wanna be captain  
You gone have to work a little bit harder for that to happen If you gone be the man then be the man  
'Cause if you can't, baby, I can  
I can and I will so figure it out  
Which one of us gone be the man of the house If you gone be the man then be the man  
'Cause if you can't, baby, I can  
I can and I will so figure it out  
Which one of us gone be the man of the house If you gone be the man then be the man  
'Cause if you can't, baby, I can  
I can and I will so figure it out  
Which one of us gone be the man of the house If you gone be the man then be the man  
'Cause if you can't, baby, I can  
I can and I will so figure it out  
Which one of us gone be the man of the house
