Say Goodbye

S Club

In the years to come,
Will you think about these moments that we shared
in the years to come
are you gonna think it over
and how we lived each day with no regrets
Nothing lasts forever though we want it to
The road ahead holds different dream for me and you

Sometimes goodbye though it hurts in your heart is the only way for destiny
Sometimes goodbye though it hurts is the only way for you and me
Though it's the hardest thing to say
I miss your loving in every way
So say goodbye, but don't you cry
Cause true love never dies

In a year from now
Maybe there will be things we wished we never said,
In a year from now,
maybe we'll see each other
standing in the same street corner, no regrets
Each and every end is always written in the stars
If only I could stop the world I'd make this last

Sometimes goodbye though it hurts in your heart is the only way for destiny
Sometimes goodbye though it hurts is the only way for you and me
Though it's the hardest thing to say
I miss your loving in every way
So say goodbye, but don't you cry
Cause true love never dies

And when you need my arms to run into
I'll come for you
Nothing will ever change the way I feel

Sometimes goodbye though it hurts in your heart is the only way for destiny
Sometimes goodbye though it hurts is the only way for you and me
Though it's the hardest thing to say
I miss your loving in every day
So say goodbye, but don't you cry
Cause true love never dies
