Weed in the brownie pies, Miley high

They trim and cut my iry

I look like a pothead

Ya'll niggas monkeys so I'm bout to go bananas

Everything I write flip flop, yea trumpet killin

Put deuces in the Phantom, west side of Atlanta

And the same nigga told you buy sell em and I'm sellin those

Uh, getting head in a buggy

Rollin up a dutchy

Bitch I want my number back, your pussy musty

Fuck that bitch, trust me[Hook:]

Man this weed strong as fuck

Who got strong? (Who got strong?) Who got strong? (Who got strong?)

Who got strong? (Who got strong?) Who got strong? (Who got strong?)

Who got strong? (Who got strong?) Who got strong? (Who got strong?)

Who got strong? (Who got strong?) Who got strong? (Who got strong?)[Verse 2:]

Uh Shawty say she got that burnin pack

I'm too high to determine that

I'm geeked up off the chinese

Talkin to me, got her run it back

Come on, Charlie Sheen and all of that

Roll up a ball bat

I'm in a hotel with 3 lesbians

Where the fuck ya'll at?

I'm with the coalition team

Pourin up, get lean

Drive a nigga bitch cray

Til she need a Ritalin
Smoking out the back of cars
Man we just a bunch of stars
Black kush up in my cigars
