

Staring At The Wall

JEFF the Brotherhood

One girl said to me
Would you look me in the eye
One girl said to me
Would you turn around and die
Must be something that I say
Must be something that I do to you
Is it the way that I ignore
Your friends
That makes you want to hate me too
One girl said to me
Would you listen to me please
One girl said to me
Would you turn around and leave
Nothings happening
When I'm staring at the wall
