So Far Away

Staind

This is my life, it's not what it was before
All these feelings I've shared
And these are my dreams
That I'd never lived before
Somebody shake me
'Cause I, I must be sleeping,Now that we're here, so far away
All the struggle we thought was in vain
An' all the mistakes one life contained
They all finally start to go awayAn' now that we're here, it's so far away
An' I feel like I can face the day
An' I can't forget that I'm not ashamed
To be the person that I am todayThese are my words
That I've never said before
I think I'm doin' okay
And this is the smile
I've never shown before
Somebody shake me
'Cause I, I must be sleepingAn' now that we're here, it's so far away
All the struggle we thought was in vain
An' all the mistakes one life contained
They all finally start to go awayAn' now that we're here, it's so far away
An' I feel like I can face the day
An' I can't forget that I'm not ashamed
To be the person that I am todayI'm so afraid of waking
Please don't shake me
Afraid of waking
Please don't shake meNow that we're here, it's so far away
All the struggle we thought was in vain
An' all the mistakes one life contained
They all finally start to go awayAn' now that we're here, it's so far away
An' I feel like I can face the day
An' I can't forget that I'm not ashamed
To be the person that I am today
