

# Daddy Brother Lover Little Boy

## Mr. Big

If you're a red hot fire cracker  
I will light your fuse  
If you cry like a little girl  
I'll dry your baby blues  
When you need a man of action  
I'm ready to make my move  
Like a shotgun shot Johnny on the spot  
There's nothing I can't do  
Everything you're looking for  
You can find in me  
I'll be anything you want  
Anyone you need  
I'll be your daddy, your brother  
Your lover and your little boy  
When your body needs salvation  
I'll be your tender touch  
I'll take all the love you give me  
And give you twice as much  
When we get undercover  
And do the horizontal mile  
I'm in the mood to answer  
To your call of the wild  
Everything you're looking for  
You can find in me  
I'll be anything you want  
Anyone you need  
I'll be your daddy, your brother  
Your lover and your little boy  
Everything you're looking for  
You can find in me  
I'll be anything you want  
Anyone you need  
Everything you're looking for  
Anything that you want and more  
I'll be your daddy, you brother  
Your lover and your little boy  
Your daddy, you brother  
Your lover and your little boy  
I'm ready, yeah  
Come on, I'll be your every thing
