I'd Rather Go Blind

Lala Romero

Somethin' told me it was over
When I saw you and him talking
Somethin' deep down in my soul said, "Cry boy"
When I saw you and him out walking
I would rather, I would rather go blind, girl
Than to see you walk away from me, child
So you see I love you so much
I don't wanna see you leave me, baby
Most of all I just don't, I just don't wanna be free
I was just, I was just sittin' here thinkin'
Of your kiss and your warm embrace, child
When the reflection in the glass
That I held to my lips now, baby
Revealed the tears I had on my face
I would rather, I would rather be blind, child
Than to see you walk away from me
Baby, baby, baby I would rather go blind
Than to see you walk away from me
Baby, baby, baby I would rather go blind
