

GET OUT (Hâ†UNT REMIX)

Tigerberry

Oh Lord
You are the saviour
The creator
You break the stones
My life
Erased and fallen
It controls meMy fault
Go away
They break me down
What do I do?
Get out and come on
You keep me moving
So close
Don't let me break now
Can not cope this time
I don't know how
I'm ready to change
That's where I am going
They can not stop me
