Organic Gun

MU330

Cut if off cut if off I'll use it to do dirty things that I don't even realize stick it in places that I don't recognize kill off my friend with my organic gun 1 by 1 2 by 2 we are 3 that's all I need cut if off cut if off would have been so simple if I cut if off cut if off could be so simple just cut it off cut it off I'm ready to do all I need to proceed with the butcher knife I want to bleed form the member that gives life make my bleed from my organic gun
