

# Tell Me (Acoustic Version) [feat. Aubrey Peeples]

## Nashville Cast

I've got my reasons for leaving.  
I've got my reasons to stay,  
but baby if you want you can make me stop.  
Yeah, you know what to say.  
I just want you to tell me,  
strum the strings of my heart  
cause with our kind of love,  
we always wind up getting tangled in the dark. Tell me I'm the only one,  
the only one you're thinking of.  
Tell me I'm your queen, that I'm in your every dream.  
Tell me that you want me back,  
cause I'm the best you've ever had.  
Then love me for the night and the rest of your whole life. Tell me. The words will flow if you feel it.  
I'll hang onto every one  
but you don't hold them back,  
no point in doing that.  
So baby please come on and.. Tell me I'm the only one,  
the only one you're thinking of.  
Tell me I'm your queen,  
that I'm in your every dream.  
Tell me that you want me back,  
cause I'm the best you've ever had.  
Then love me for the night and the rest of your whole life. Tell me. (x2)
