

Louder Than Thunder (Quiet Like The Snow)

The Devil Wears Prada

What would it take for things to be quiet?
Quiet, like the snow
I know this isn't much but
I know I could I could be better I don't think I deserve it
selflessness find your way into my heart
All stars could be brighter
All hearts could be warmer What would it take for things to be quiet?
Quiet, like the snow
That we meant to be empty-handed
I know I could I could be better I don't think I deserve it
selflessness find your way into my heart
All stars could be brighter
All hearts could be warmer
What would it take for things to be quiet?
Find your way into my heart
What would it take for things to be quiet?
Find your way into my heart
What would it take for things to be quiet?
