

Unspeakable

Danzig

Don't you ever call upon things you shouldn't play with
Don't you ever look upon things that might offend youSay what they don't like
 Say what they don't likeDon't you ever, no
 Don't ever call the unspeakable
 Don't you ever, no
 Don't ever call the unspeakableSay what they don't like
Say what they don't likeDon't you ever question God or question how to pray
Don't you ever question laws, question what they saySay what they don't like
 Say what they don't likeDon't you ever, no
 Don't ever call the unspeakable
 Don't you ever, no
 Don't ever call the unspeakableDon't you ever, no
 Don't ever call the unspeakable
 Don't you ever, no
 Don't ever call the unspeakableSay what they don't like
 Say what they don't like
 Say what they don't like
 Yeah
