

Bag It Up

Oasis

Gold and silver and sunshine is rising up
Pour yourself another cup of Lady Grey
Take my hand in the meantime, when you've had enough
You'll find me on the edge of a runway, babe Tell the world that you love them in a melody
Send my old piano and a telegram
Gotta get me a doctor with a remedy
I'm gonna take a walk with the Monkey Man Someone tell me I'm dreaming
The freaks are rising up through the floor
Everything I believe in
Is telling me that I want more, more, more Lay your love on the fire when you come on in
I got my heebie-jeebies in a hidden bag
Tell me what you desire and we'll bag it up, high Someone tell me I'm dreaming
The freaks are rising up through the floor
Everything I believe in
Is telling me that I want more, more, more Lay your love on the fire when you come on in
I got my heebie-jeebies in a hidden bag
Tell me what you desire and we'll bag it up, high Shine a light on your fire when you come on in
I got my heebie-jeebies in a hidden bag
Tell me what you desire and we'll bag it up, high
