

# You Don't Hear

Kitty Wells

Lately you spent a lot of time at parties  
Your head held high in a world of make believe  
You don't hear a word that I tell you  
And I can see you no longer care for me You don't hear a word that I'm sayin'  
May as well be talkin' to the ceilin'  
I want you to know how much I love you  
I talk to you all the time but you don't hear If you'd stop for a minute and listen  
You would save yourself a lot of tears  
Your party pals won't love you like I do  
I've tried to tell you but you don't hear You don't hear a word that I'm sayin'  
May as well be talkin' to the ceilin'  
I want you to know how much I love you  
I talk to you all the time but you don't hear  
I talk to you all the time but you don't hear
