

# Free Ride

Edgar Winter

The mountain is high  
The valley is low  
and you're confused on which way to go  
so I've come here to give you a hand  
and lead you into the promised land  
so...  
come on and take a free ride [free ride!]  
come on and sit here by my side  
come on and take a free ride  
all over the country I've seen it the same  
nobody's winning at this kind of game  
we've got to do better it's time to begin  
you know all the answers must come from within  
so...  
come on and take a free ride [free ride]  
come on and sit here by my side  
come on and take a free ride
