My Destiny

Jonas B. Ingebretsen

Cursed with sorrow pain and woe
Full of feelings I can't show
Hopeless love what else for me
Is this my destiny?
God in Heaven surely meant
For every man somewhere a mate
Someone stole my love from me
Is this my destiny?

At night I toss and wonder why
I must live while others die
Prayer would be an escape for me
Is this my destiny?
At night I toss and wonder why
I must live while others die
Prayer would be an escape for me
Is this my destiny? Is this my destiny?
