

All for You

The Paramedic

There's been times, I'm so confused
And all my road, they lead to you
Just can't turn and walk away
It's hard to say what it is I see in you
 If I'll always be with you
 Words can't say it, I can't do
Enough to prove, it's all for you
 Finally I figured out
 But it took a long, long time
 Now there's a turnabout
 Maybe 'cause I'm tryin', yeah
There's been times, I'm so confused
 All my road, they lead to you
 Just can't turn and walk away
Well, it's hard to say what it is I see in you
 If I'll always be with you
 Words can't say it, I can't do
Enough to prove, it's all for you
 I'd thought I seen it all
'Cause it's been a long, long time
 Oh but then we'll trip and fall
 Wonderin' if I'm blind, yeah
There's been times, I'm so confused
 All my roads, they lead to you
 I just can't turn, you walk away
It's hard to say what it is I see in you
 Wonder if I'll always be with you
 Words can't say and I can't do
Enough to prove it's all for you
 Rain comes pourin' down
 Fallin' from blue skies
 Words give out a sound
 Comin' from your eyes
 Finally I figured out
 But it took a long, long time
 Oh now there's a turnabout
 Maybe 'cause I'm tryin'
There's been times, I'm so confused
 All my roads, they lead to you

Just can't turn and you walk away
It's hard to say what it is I see in you
 Wonder if I'll always be with you
 Words can't say, I can't do
 Enough to prove it's all for you
It's hard to say what it is I see in you
 Wonder if I'll always be with you
 Words can't say, I can't do
 Enough to prove, it's all for you
Well it's hard to say what it is I see in you
 Wonder if I'll always be with you
 Words can't say, I can't do
 Enough to prove, it's all for you
 Hard to say, yeah, yeah
 Hard to say, it's all for you
