

15 Step

Radiohead

How come I end up where I started?
How come I end up where I went wrong?
Won't take my eyes off the ball again
You reel me out then you cut the stringHow come I end up where I started?
How come I end up where I went wrong?
Won't take my eyes off the ball again
You used to reel me out and then you cut the stringYou used to be alright
What happened?
Did the cat get your tongue
Did your string come undoneOne by one
One by one
It comes to us all
It's as soft as your pillowYou used to be alright
What happened?
Et cetera, et ceteraFads for whatever
15 steps
Then a sheer dropHow come I end up where I started?
How come I end up where I went wrong?
Won't take my eyes off the ball again
You reel me out then you cut the string
