Love it with ya bad attitude, tude  
'Cause I'm in the mood  
Baby, impress me Let me follow your lead  
Baby, come on control me  
Come over take on me  
Take me If you're in it for real  
Go ahead, put it on me  
I know that you want me  
So take me Read my body language  
I do what you like, like  
So prove that you're right, right  
(Control me) Read my body language
