

I'm Alright

Kenny Loggins

I'm alright and nobody worry 'bout me
Why you got to gimme a fight, can't you just let it be?
I'm alright don't nobody worry 'bout me
You got to gimme a fight, why don't you just let me be? Do what you like doing it naturally
But if it's too easy, they're gonna disagree
It's your life and isn't it a mystery
If it's nobody's business it's everybody's game Gotta catch you later, no, no, cannonball it right away
Some Cinderella kid
Get it up and get you a job
Dip dip dip dip dip dip dip dip I'm alright nobody worry 'bout me
Why you got to gimme a fight, can't you just let it be?
I'm alright don't nobody worry 'bout me
You got to gimme a fight, why don't you just let me be? Who do you want and who you gonna be today?
And who is it really makin' up your mind?
You wanna listen to the man, pay attention to the magistrate
And while I got you in the mood, listen to your
Own heart beatin', own heart beatin'
Own heart beatin', own heart Don't it get you movin', m-m-man
It make me feel good
Wow, Cinderella kid
Then give it up and give it the job
Dip dip dip dip dip dip dip dip I'm, I'm alright, nobody worry 'bout me
Why you got to gimme a fight, can't you just let it be?
I'm alright don't nobody worry 'bout me
You got to gimme a fight, why don't you just let me be? I'm alright nobody worry 'bout me
Why you got to gimme a fight, can't you just let it be?
I'm alright, I'm alright, I'm alright, just let me be
I'm alright, I'm alright, I'm alright, just let me be
