

Drown

Breed 77

Take a step inside, come in, and go down, down, down, down.
Take another hit, relax, and go round, round, round, ROUND!
Now you're in a fit, you don't know who you found, found, found, found.
Now we're standing in line, to see you drown, drown, drown, drown.

Drown...

To see you drown. (To see you drown!)

Drown...

To see you drown.

Take a look, at your life, now you sleep in the bed that you made.

(It's not blood that drowns you.)

In the end, we all pay for the stupid mistakes that we make.

I feel nothing!

It's the way of the world, you point, and you die die, die, die.

But that was never enough- you see, it's all mine, mine, mine, MINE!

Now I'm in a fit, cause you know who you found, found, found, found.

And you're standing in line, to see me drown, drown, drown, drown.

Drown...

To see you drown. (To see you drown!)

Drown...

To see you drown.

Take a look, at your life, now you sleep in the bed, that you made.

(It's not blood that drowns you.)

In the end, we all pay for the stupid mistakes that we make.

I feel nothing!

There's a hole in my life, that can only be filled with regret. (To see you drown.)

In the end, we all pay for the stupid mistakes that we make!

I feel nothing!

Take a look, at your life, now you sleep in the bed that you made.

(It's not blood that drowns you.)

In the end, we all pay for the stupid mistakes that we make.

I feel nothing!

Well, I feel nothing!

Well, I feel nothing!

I feel nothing!

I feel nothing!

I feel nothing!

I feel nothing!
